Number 1: "Me iba a encontrar con Number Two para jugar."

Number 3: "¿Y quién es Number Two?"

Number 1: "Míralo, ahí viene. Es aquel que viene nadando como un patico en el lago."

Number 3: "Ay sí, parece un patico. Ese también es diferente."

Number 1: "Hello, Number Two. This is Number Three."

Number 2: "Hi Number One. Hi Number Three.

¡Qué diferentes somos todos!

Pero todos juntos somos The Numbers.

Vamos a jugar con Number Four and Number Five."

zoo

Meeting at the zoo

Once upon a time....four animals were at the zoo.

They were talking about all the animals.

And most importantly, they were discussing what the most beautiful animal in the zoo was...

The animals were the lion...the elephant...the snake...and the penguin.

The lion spoke first...

- "I am the most beautiful in the zoo... I am strong... I can run very fast... I have beautiful hair and the other animals respect me." He said.

- "But you scare people" ... said the snake. "That is not beautiful."

- "I am the most beautiful animal in the zoo" ... said the elephant... "I am tall. I am strong... I wash myself and I can live in many different places."

- "But you have very big ears" ... said the lion.

Meeting at the zoo

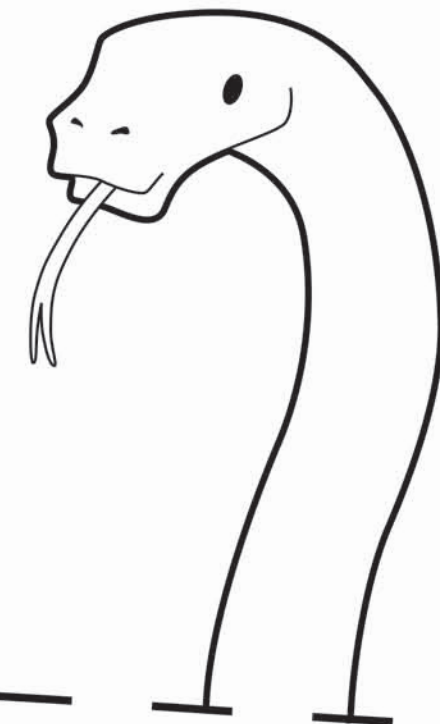

- "I am the most beautiful animal here." Said the penguin... "I have been around for a looong time. I am a bird and I can swim very fast. My white feathers are fluffy and very beautiful."

- "But you can't fly"... said the elephant.

- "I am the most beautiful animal. I have a beautiful skin and beautiful colors... I can live underground or in trees... I can grow veeery long." The snake said.

- "But you can't walk"... said the penguin.

Suddenly a bird that was listening to the conversation said.

- "You have seen that all of you have good and bad things. All animals are beautiful. What is most important is what you have inside. That is the real beauty."

Mike's nightmare

Mike's nightmare

One night, Mike was sleeping.

Suddenly in the middle of the night he started to scream.

Uncle Johnny woke up immediately and ran to Mike's bed. Lili ran there too.

"Mike.. Wake-up!" - Said Johnny - "What happened?"

Mike was sweating and crying.

"It was horrible uncle Johnny", answered Mike. "I was having a nightmare with a horrible monster."

"A Monster?" - said Lili.

"Yes... a very big monster."

"Mike, Lili, monsters don't exist" - said Uncle Johnny.

Mike's nightmare

- "I know that Uncle Johnny. I know that monsters don't exist. It was more like a very strange animal, that is why it was so real."

- "Well... a very strange animal... How was it?" Asked Lili.

- "It was a very, very tall animal with one very big head. It had 5 eyes, 3 noses and one big mouth with many teeth."

- "That sounds horrible!" - said Lili.

- "And that was not all. It had 5 arms too and 5 legs!" - Mike continued.

- "What an ugly animal!" Said Lili.

- "Horrible! Besides, it had very big ears, and to make things worse, it was after me."

- "So it was running... Why was it after you?" Asked Johnny.

- "I don't know, I just ran and ran and ran and strangely I feel very tired."

- "Well, that's because you ran too much" - joked Johnny.

- Lili smiled... and said: "Don't worry Mike, I am going to look for a glass of water."

- "Perfect!" Said Johnny.

- "It was horrible. I don't want to dream with that animal again!"

- "Don't worry Mike. That animal doesn't exist, just calm down and it will go."

Finally, Mike drank some water and said...

"Uncle Johnny... Can I sleep with you tonight?"

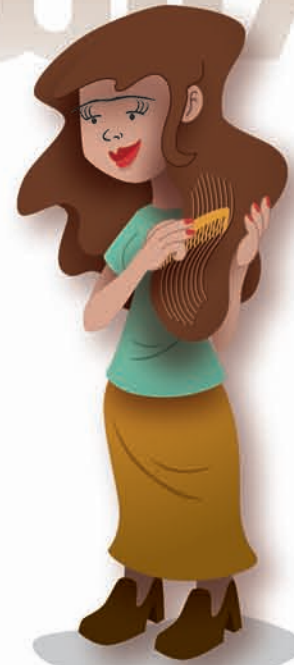

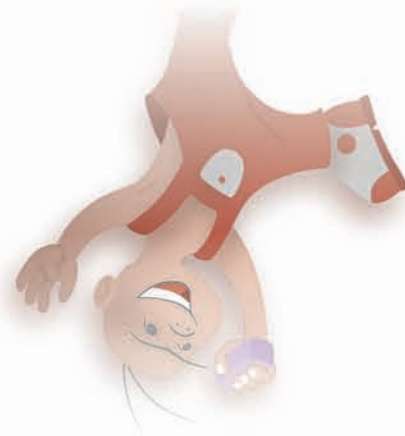

"Don't worry Mike. Let's go." So, they all went to bed and slept until the next day.

He heard a sweet voice calling him! "It's me the lake!"

The lake answered: "It's a soap to take a shower! Come here"

So Baby Grungy took a shower.

Then, Baby Grungy took a toothpaste and a toothbrush out of the bag and asked:
"What are these for?"

The lake answered: "To brush the teeth. Come and take some water!"

My friends and the bird

Two years ago, when I arrived here I did not know anybody.

One day, I met Maria, the doctor.

She wanted to learn English. I wanted to know people.

So we met father Perez, the priest and Mr. Cano, the policeman. We used to go to Father Pérez house. We studied English twice a week.

My friends and the bird

They showed me the town and helped me in my search.

Doctor Maria likes animals. One day, we went to the nearest farm.

There, I saw the most beautiful bird. I took a lot of pictures.

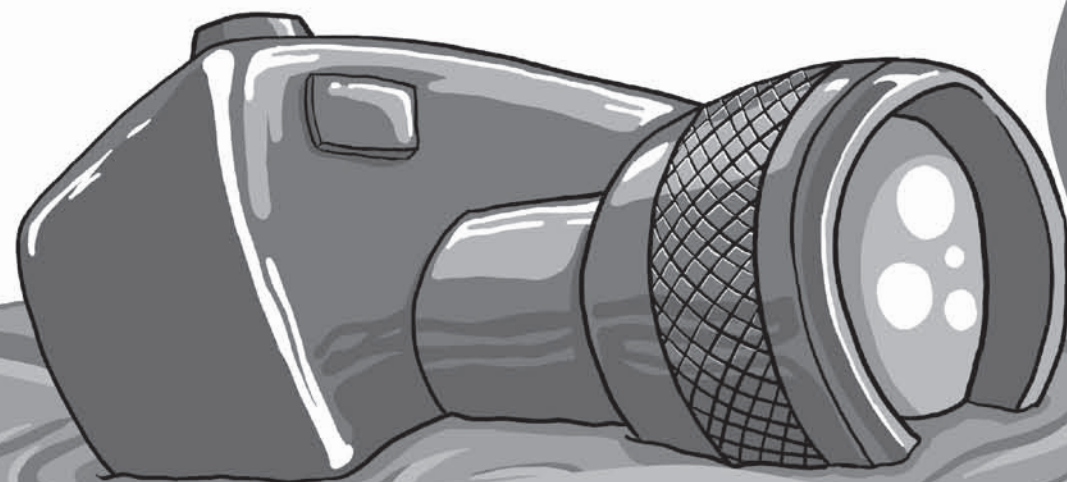

Well, when I was close, Doctor Maria made a big noise.

The bird left.

I tried to catch her but I fell and my camera fell into the river. I lost it and all the pictures.

I know one day I will find my bird.

and

THE KID

The kid and the talking flower

Once upon a time, there was this little kid who used to throw garbage around the house.

His mom used to tell him not to do that because one day he was not going to have more flowers or clean water, or animals. But he would say:

" So what? "

The kid and the talking flower

One day, the boy was in the garden.

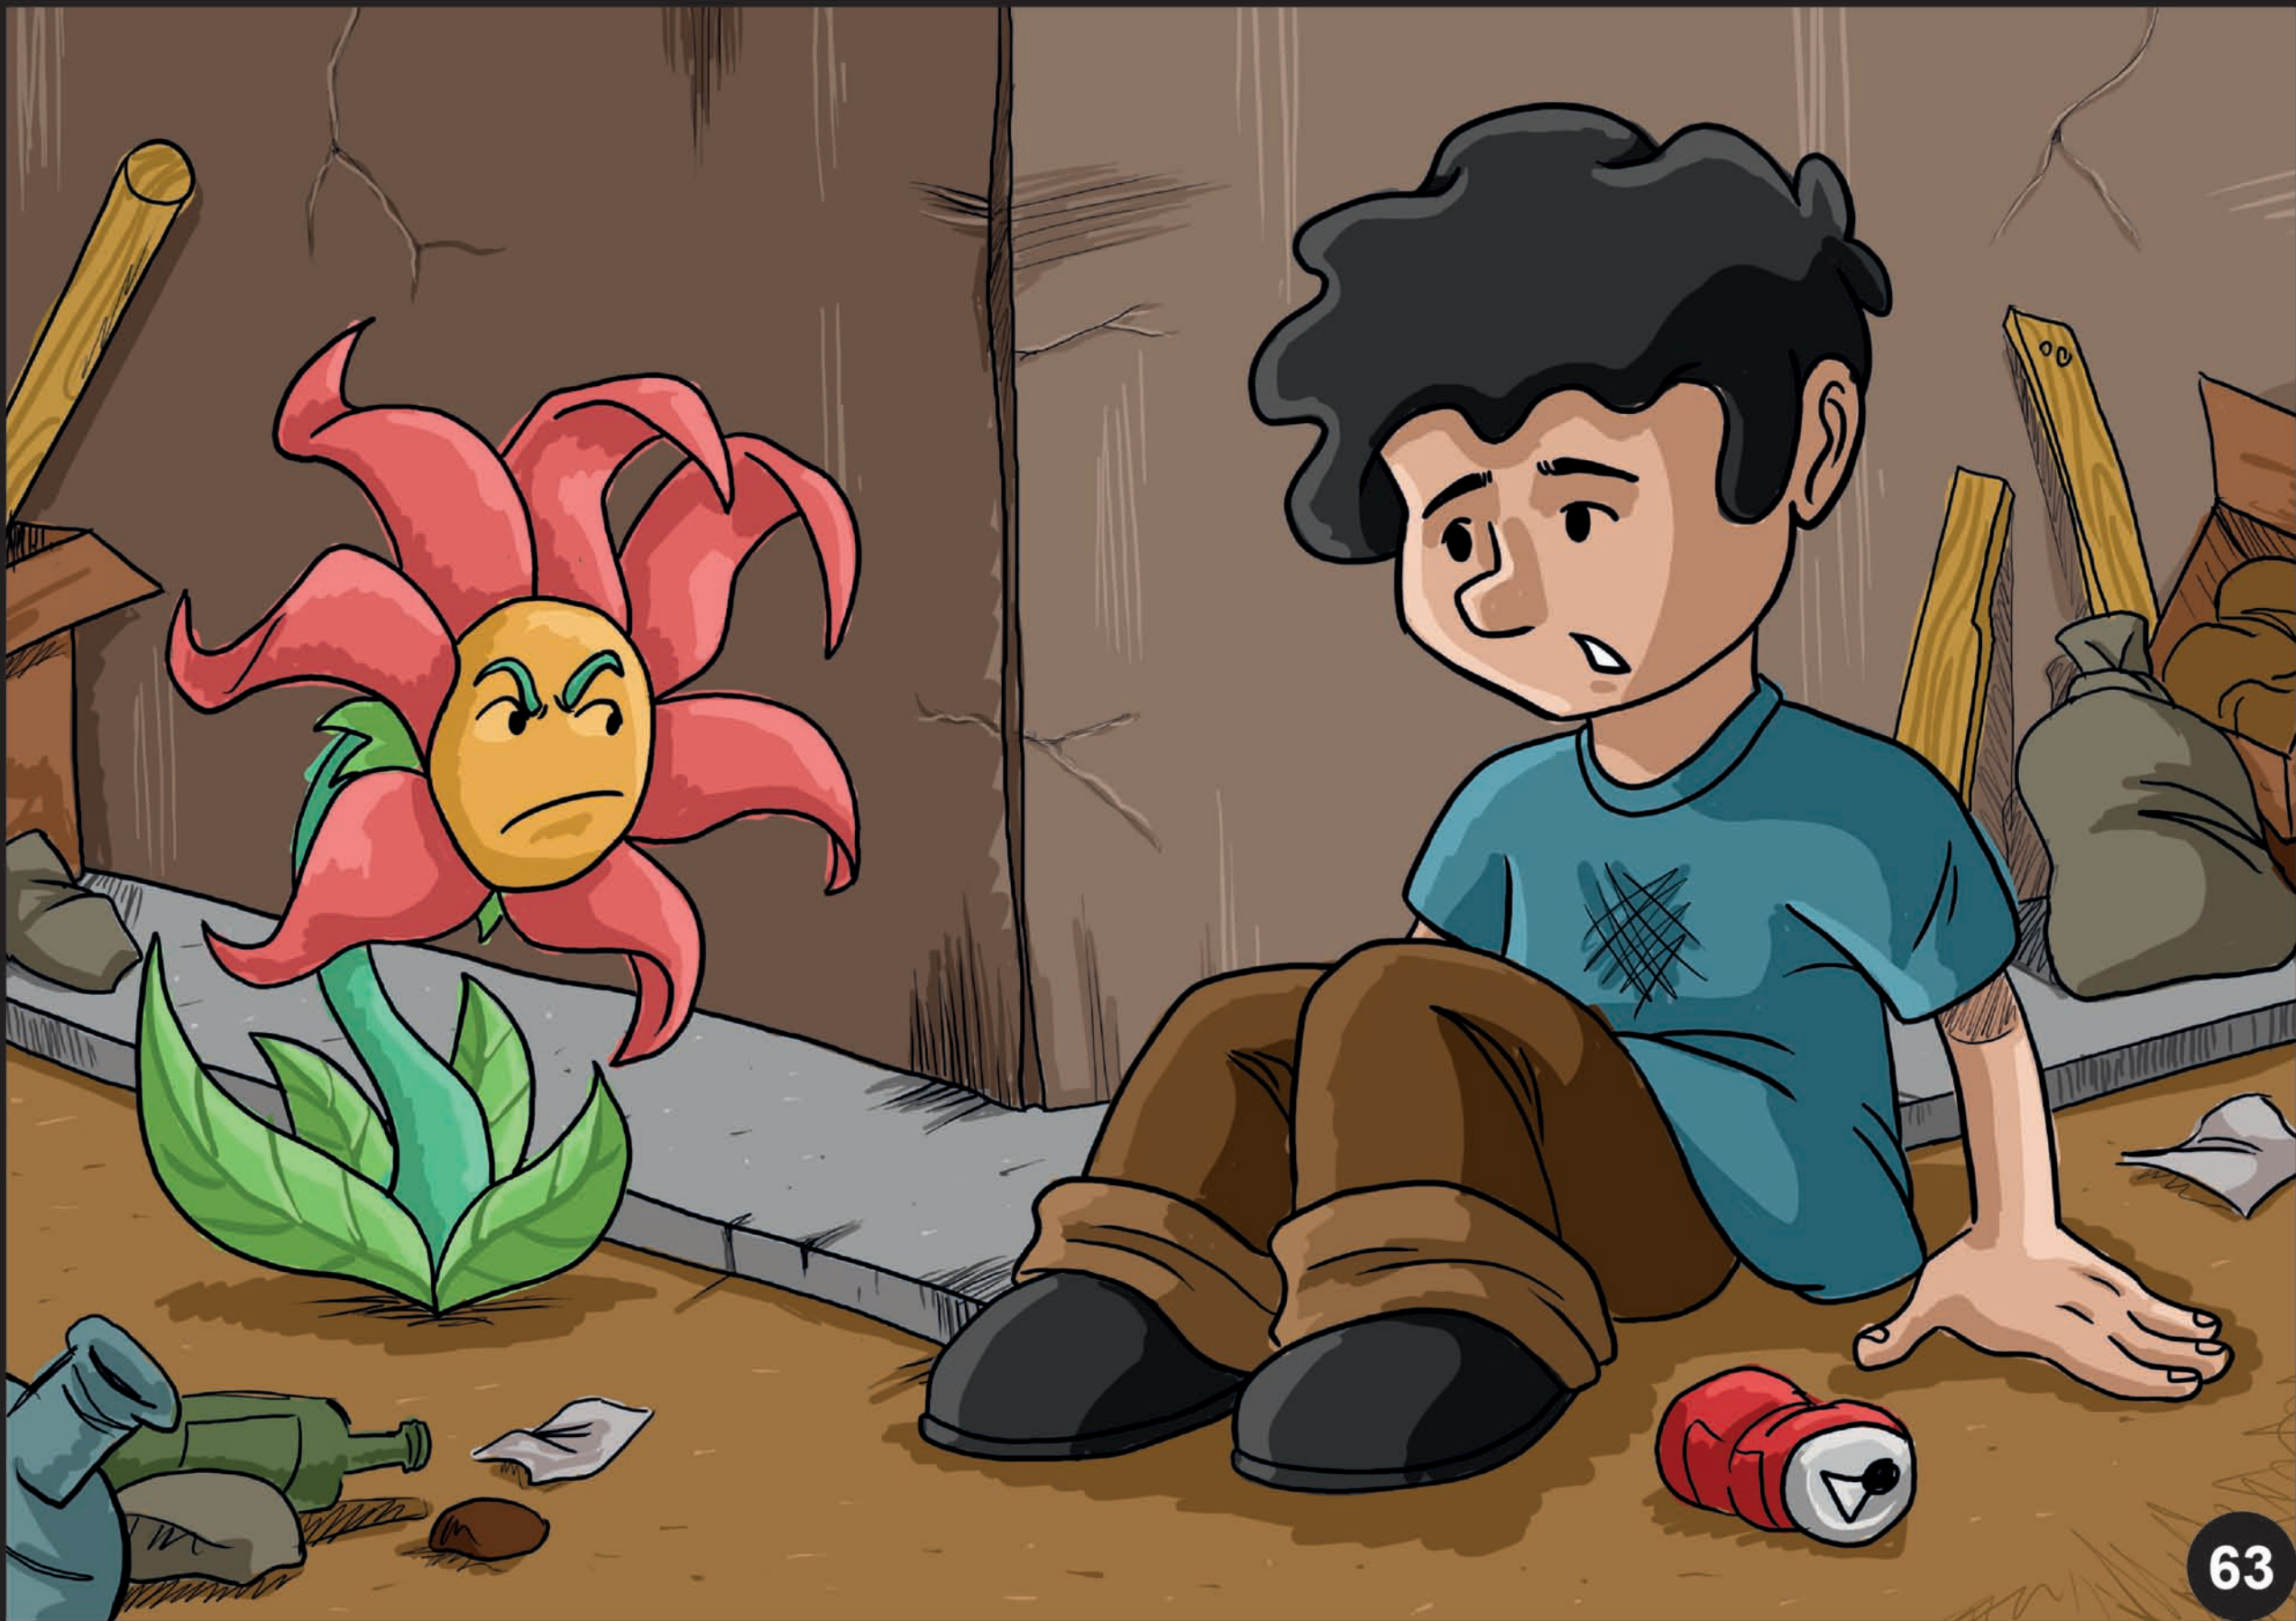

He threw some garbage to a flower. The flower got so angry and said:

"Don't do that to me... I want to live. I want to be clean.

The flower threw the garbage back to him.

The kid was very scared as flowers don't speak or throw garbage.

So he realized that he needed to throw garbage on the right place: the garbage can.

Next day, the kid went to the garden and there was not only one big beautiful flower but many more.

There were birds singing and butterflies.

The kid was delighted with the beauty of the garden. And he never threw garbage again.
